

The K-SERIES Domestic Wheelchair Lift

FEATURES:

- Industry-leading Ricon Safety Zone: Combined with front and rear rollstops and handrails, secures passengers during lift operation
- Folding platform design enables clear view out of rear window
- Simple and reliable operation provides convenient vehicle access for wheelchairs and scooters
- Powerful hydraulic pump assures smooth, stable operation
- All-steel construction with high gloss, polyester powder coat finish resists corrosion
- Stable, non-skid platform
- Pre-lubricated bearings at all major pivot points for long-term durability
- All lifts rated at 350Kg
- Certification Of Initial Fitment (COIF) Kit option available
- Available with built in alarms and ski wheels
- 5-year Limited Warranty

ADVANCED RICON LIFT TECHNOLOGY FEATURES RELIABLE PERFORMANCE AND USER-FRIENDLY DESIGN

TOP-MOUNTED MAGNETIC HAND CONTROL PENDANT – factory installed control pendant with multiple stow points and convenient coiled cord. Can be attached directly to the frame when lift is stowed or loading.

OCCUPANT CONTROL SWITCH – optional control switch allows occupant to lower or raise the lift platform.

PLUG AND PLAY INTERFACE – for door openers, remote control.

MANUAL BACKUP SYSTEM – hand pump mechanism provides manual lift operation in case of power loss.

SLIDE-OFF PUMP COVER WITH “SECUR-STOR” BACKUP TOOL STORAGE – easy access with no bolts to remove, simply push the top-mounted cover release and pull up for total access to the manual backup tool, pump and electrical components.

AUTOMATIC INBOARD ROLLSTOP – features quiet patented Sto-Loc™ self-adjusting system that provides quieter ride and limits lift drift (located on reverse side of the inboard rollstop).

OUTER ROLLSTOP SWITCH – K-Series limits platform travel if not locked into position. Spring-loaded mechanical outboard rollstop features durable one-piece extruded aluminium design.

TIGHTER MESH PLATFORM – for greater rigidity and improved performance.

Made in the USA

INTRODUCING THE K-SERIES Domestic

lift platform folds automatically to provide **unobstructed view** by passenger and driver. The **Ricon K-SERIES lifts** elevate the industry standard for excellence.

THE INDUSTRY STANDARD FOR OVERALL PERFORMANCE, RELIABILITY & VALUE.

The K-SERIES is a fully automatic folding platform that stows away to offer an unobstructed rear view for passenger and driver. Features include compact and simple to operate control pendant and the security of the industry-leading Ricon Safety Zone. This innovative personal K-SERIES in-board passenger lift design provides total convenience for users gaining access and egress to their vehicles.

PERFORMANCE, RELIABILITY AND VALUE

Ricon K-SERIES wheelchair lifts provide secure and reliable access while setting the industry standard for safety, performance, value and ease of use. These innovative lightweight designs feature:

- Easy operation and maintenance
- Non-intrusive space-saving footprint
- **Providers to the Motability scheme**
- Suitable for most small - large vehicle requirements.

Space-efficient personal design provides convenient vehicle access and the security of the Ricon Safety Zone during lift operation.
